

By popular demand, Paradise Valley Engineering Academy is starting another section of the Google CS First coding class. The CS First Art class will focus on using the computer to design your own animations, creating a paint editor tool, and learning how technology is used in the art world. Students will create their own digital works of art. Space is limited. We will give priority to 4th & 5th grade students who were waitlisted for the previous class.

The class will be led by Mrs. Kingman, and Ms. Miller on Monday afternoons. **Classes will be held on: 1/23, 1/30, 2/6, 2/13, 2/27, 3/6, 3/13 and 3/20.** Class will be held from **2:15 to 3:30 P.M. in the school Design Lab.**

We have a capacity for 50 students. Registration is on first come, first serve basis. **Please turn in the portion below to school front office starting Wednesday, 1/11/20/17. No applications will be accepted after Tuesday, 1/17/17.**

(Retain top portion of the form for class dates, times, etc.)

My child, _____ has my permission to join the Google CS First class. I understand that my child will need to bring an extra snack and will need to be picked up at 3:30 pm sharp as there is no after class supervision.
