

Google CS First

Do you like telling fun and interactive stories? Are you interested in improving your coding abilities? Paradise Valley Engineering Academy presents Google CS First Storytelling. The Storytelling class is open to the first 30 fourth and fifth grade students who turn in their permission slips to the school front office. We will begin accepting applications starting 1/18/18.

Mrs. Kingman will lead the class in our Design Lab on Monday and Tuesday afternoons. Classes will be held on: 1/29, 1/30, 2/5, 2/6, 2/12, 2/13, 2/26 and 2/27. Class will be held from 2:15 to 3:15 P.M. in the school Design Lab.

Students will use computer science to tell fun and interactive stories. Storytelling emphasizes creativity by encouraging club members to tell a unique story each day. Students will be using Scratch to design their projects.

My child, _____, Student ID# _____ has my permission to join the Google CS First class. I understand that my child will need to bring an extra snack and are encouraged (but not required) to bring their own earbuds. Students need to be picked up at 3:15 sharp as there is no after class supervision. Students missing two or more classes may be dropped from the class. Also, students that are disruptive to others and impede instruction may be dropped from the class.
